Why Dallas Shoppers Are Switching to BOPIS

Buy Online, Pick Up In Store (BOPIS) is the fastest-growing retail trend in DFW. But most people leave money on the table. Here are 10 hacks Dallas locals use to stack savings.

1 Stack Store Coupons + Pickup Discounts

Many Dallas stores (Macy's, Nordstrom, Old Navy) offer BOPIS-exclusive discounts that stack with regular coupons. Always check the app before ordering online.

2 Use Price-Match Policies at Pickup

Found a lower price after ordering? Nordstrom, DSW, and Macy's all price-match at pickup. Screenshot the competitor price before you go.

3 Time Your Orders for Flash Sales

Dallas retailers run flash sales Tue-Thu. Place your BOPIS order during the sale, pick up at your convenience — the sale price locks in at checkout.

4 Skip the Line with Curbside

NorthPark Center, Galleria Dallas, and most big-box stores offer curbside BOPIS. No parking lot walks, no checkout lines. Order → pull up → done.

5 Use Store Credit Cards for Extra Points

Nordstrom, Macy's, and Lululemon reward cards give 3-5x points on in-store/BOPIS purchases. That's free money on stuff you're already buying.

6 Bundle Orders to Hit Free Shipping Thresholds

Even though BOPIS is free, bundling gets you better coupon tiers. \$75+ at Old Navy = 30% off. \$100+ at Macy's = extra 20%. Plan your haul.

7 Check the Clearance Rack Online First

Zara, Forever 21, and Banana Republic list clearance items online before they hit stores. BOPIS the clearance → skip the in-store treasure hunt.

8 Use Rakuten/Honey for Cashback on BOPIS

Buy online through Rakuten → pick up in store. You get 2-10% cashback even though you never paid for shipping. Dallas shoppers leave \$50+/year on the table.

9 Return In-Store for Instant Refunds

BOPIS returns are instant — no shipping, no waiting 5-10 business days. Walk in, return, walk out with your money. Dallas stores process returns in under 5 minutes.

10 Let Style.re Deliver Your BOPIS to Your Door
